SMITH'S COVE SPEC HOME

Beautiful new home on Long Lake in Madison, built by Kingdom Capital Fund. This new ranch-style home sits on a ¼ acre lot featuring nearly 90 feet of sandy shoreline and spectacular sunset views. Spacious and open floor-plan design captures Long Lake views with abundant windows. Main floor space includes 2 bedrooms, 2 bathrooms, with open living to kitchen designed space perfect for entertaining your family and friends. Lower floor space includes 2 additional bedrooms, 1 full bathroom, and a very spacious gathering room finished with entertainment space, wet-bar, and a fireplace for cozy movie nights. The clean, rustic finishes in this home will make you very comfortable at Smith's Cove.

Kingdom Capital Fund built this home with its own capital and the generous donations of others with all efforts and donations invested to maximize the benefits. It began with a lakeside land investment and is being multiplied through donated time, treasure, and talents to raise funds for Christian ministry. Local companies with a heart for the Gospel gave building materials, skill, time, and dollars to take that initial land investment and grow it into this amazing home. The funds gathered through this project will be disbursed in support of local and global ministries. The buyer of this home will have the pleasure of owning their dream lake front property, and the pleasure of having an eternal impact for the Kingdom of God.

Thanks to these companies and other anonymous ones who make investing for the Kingdom possible in this home
